Ferries

Information about ferry itineraries and companies

An overview of the ferry schedules is easily found on the Greek Travel Pages site: www.gtp.gr.

Fill in at 'Ferry schedules': From <departing port> To <arrival port>, and click the magnifier icon. Fill in the desired date on the next screen and an overview is presented. BUT: exceptions are not always visible! To be sure check the schedule on the website of the company itself.

Easiest is to use the **port codes**:

- Rafina = RAF
- Piraeus = TZE
- Tinos = TIN
- Andros Gavrio = GAV
- Mykonos = MYK

We advise you to book your tickets in advance as there may be an unexpected change in the schedule and with a completed booking you should be informed about such a change.
