Biking and hiking fair 2018 (Fiets- en Wandelbeurs)

We'll be present this year on the [Biking and Hiking Fair in Gent](#) (Belgium) on 10 and 11 February 2018. You may order your e-tickets with a discount from the website of the Fair.

We have our stand in hall 2, close to the entrance on the corner of the collective stand 'Wandelen' ('Hiking'). Our stand number is **2.A.59**.

We hope to meet you there!

New: Pilion trekking (hiking)

We put together a not too strenuous 10-day trekking in the Pilion, which takes you along locations nobody else offers. You walk on mountain paths and old kalderimia, on forest slopes and beaches and through lovely villages. Splendid views and a rich flora and fauna, especially in spring. The tour may be extended by more walks or rest days. Your luggage is transported.

New: backpacking along Mount Olympus and the Pieria mountains

Some years ago we developed a backpack trekking together with S-Cape Travel in Athens. The tour brings you over Mount Olympus, the highest peaks of Greece, and through the

neighbouring mountain range Pieria. From now on you'll find it on our website. It's a strenuous tour without luggage transfers, although you may bring a bag to swap things halfway and have some clean clothes at the end (surcharge). For more information: [see tour code OPWT318!](#)

New: hiking the Corfu Trail

In cooperation with Aperghi Travel we offer the Corfu Trail: a grand route of more than 200 kilometer, running from the southernmost to the northernmost tip of Corfu in 11 stages.

The net walking time is between 3½ and 7 hours (excluding the breaks). The terrain alternates between rough footpaths, cobbled mule paths (kalderimia), gravel roads and tracks, minor roads and beaches.

You'll walk along mountain slopes and summits, through olive groves, taking in typically Corfiotic villages and meandering through the protected wetlands of the Korrision lagoon. Your luggage is transferred.

You may choose from the following programs:

- A 15-day hike along the whole Trail with 3 rest days, [tour code IKWT318!](#)
- An 8-day hike with a selection of the Trail stages, [tour code IKWT328!](#)

New: hiking the Menalon Trail on the Peloponnese

For the first time we have a hiking tour on the Peloponnese. In cooperation with S-Cape Travel we offer the Menalon Trail: a 75 kilometer tour in 6 daily stages. The route is certified as Leading Quality Trail/Best of Europe.

The path takes you from Stemnitsa to Lagkadia, it is well maintained and signposted.

The daily net walking time is between 3 and 7 hours (excluding the breaks). The long distance trail continues through lush forests, across bridges and through pretty villages with unpronounceable names like Valtasiniko and Magoulia. The walks are mostly via rocky footpaths, dirt roads and occasionally cobbled footpaths (kalderimia). Your luggage is transferred.
